March, 2008

Dear Parents,

As we approach the Holiest Season of the Church's year, we welcome you to the Parish of St. Cecilia and the Religious Education Program which stems from our community of faith.

As parents you are the first teachers of your children; our position therefore is one of support. Your practice of the Catholic faith and reliance on the Lord Jesus Christ for His strength and grace will determine how fully your child/children will embrace the truth of the faith. We are both privileged and happy to share in your child's/children's faith formation.

We are committed to help your child/children grow in the Lord's ways and live a life of virtue. Because you are bringing your child/children to us, we can expect that you will do the following:

- Attend weekly Mass on Saturday/Sunday
- Frequent the Sacraments of Confession and Eucharist
- Assist us in one of the volunteer positions available

Please print out the following pages for registration and send in the required documentation to us as soon as possible.

I look forward to meeting with you and your child/children during the summer months; I will send you an e-mail in that regard as I receive your registration forms.

May the Lord Jesus, Who so lovingly offered His life for us, bless and protect you and your family. Again, we welcome you to St. Cecilia Parish and Religious Education Program.

Have a Blessed Easter Season.

Sincerely in Jesus Our Hope,

Sr. Clare Yosco, Director of Religious Education
