March, 2008

Dear Parents,

As we approach the Holiest Season of the Church's year, I take this opportunity to wish you and your family the blessings of this approaching Easter Season. This celebration of the Paschal Mystery (Jesus' suffering, death and Resurrection and Ascension) is our reason for faith and hope.

As we move forward with your child's/children's' Faith Formation, I perceive that they are allowing the Lord to penetrate their hearts and He is becoming more real in their lives. Thank you for your example of faith to them and your witness of faithfulness. Without your example of faith, our efforts at planting seeds will not take root. They need you; they need your faith; they need your example of trust in the Lord. Your practice of the Catholic faith and reliance on the Lord Jesus Christ for His strength and grace will determine how fully your child/children will embrace the truth of the faith.

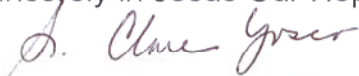

We are committed to help your child/children grow in the Lord's ways and live a life of virtue. Because you are bringing your child/children to us, we can expect that you will do the following:

- Attend weekly Mass on Saturday/Sunday
- Frequent the Sacraments of Confession and Eucharist
- Assist us in one of the volunteer positions available

Please print out the following pages for registration and send in the required documentation to us as soon as possible. I encourage you to do so as soon as possible in order to secure your choice of day.

May the Lord Jesus, Who so lovingly offered His life for us, bless and protect you and your family. Have a Blessed Easter Season.

Sincerely in Jesus Our Hope,

Sr. Clare Yosco, Director of Religious Education
